§ 3560.659 Sale or transfer to nonprofit organizations and public bodies.

(a) *Sales price.* For the purposes of establishing a sales price when a borrower is required or elects to sell a housing project to a nonprofit organization or public body, two independent appraisals will be ordered, one by the Agency and one by the borrower. Both appraisals will conclude market value and be in accordance with subpart P of this part. If the borrower's assessment of the Agency's appraised market value indicates that no further appraisal is needed, the borrower may agree to accept the Agency's appraisal.

(1) The expense of the borrower's appraisal shall be borne by the borrower. The appraiser selected may not have an identity of interest with the borrower.

(2) If the two appraisers fail to agree on the market value, the Agency and the borrower will jointly select an appraiser whose appraisal will be binding on the Agency and the borrower. The Agency and the borrower shall jointly fund the cost of the appraisal.

(b) *Marketing to nonprofit organizations and public bodies.* If a borrower must offer the property for sale to a nonprofit organization or public body under this paragraph, the borrower must take the following actions to inform appropriate entities of the sale:

(1) The borrower must advertise and offer to sell the project for a minimum of 180 days. The borrower may choose to suspend advertising and other sales efforts while eligibility of an interested purchaser is determined. If the pur-

chaser is determined to be ineligible, the borrower must resume advertising for the balance of the required 180 days.

(2) The Agency will assist the borrower in initially notifying nonprofit organizations and public bodies.

(3) The borrower must provide the nonprofit organizations and public bodies contacted with sufficient information regarding the housing project and its operations for interested purchasers to make an informed decision. The information provided must include the minimum value of the housing project based on the market value determined in accordance with paragraph (a) of this section.

(4) If an interested purchaser requests additional information concerning the housing project, the borrower must promptly provide the requested materials.

(c) *Preference for local nonprofit and public bodies.* Local nonprofit organizations and public bodies have priority over regional and national nonprofit organizations and public bodies. The Agency may determine that no local nonprofit organizations or public bodies are available to purchase the housing project. After this determination, the borrower may accept an offer from a regional or national nonprofit organization or public body.

(d) *Eligible nonprofit organizations.* To be eligible to purchase properties under the conditions of this subpart, nonprofit organizations may not have among its officers or directorate any persons or parties with an identity-of-interest (or any persons or parties related to any person with identity-of-interest) in loans financed under section 515 that have been prepaid. In addition to local nonprofit organizations, eligible nonprofit organizations include regional or national nonprofit organizations or public bodies provided no part of the net earnings of which accrue to the benefit of any member, founder, contributor or individual.

(e) *Requirements for nonprofit organizations and public bodies.* To purchase and operate a housing project, a nonprofit organization or public body must meet the following requirements:

(1) The purchaser must agree to maintain the housing project for very

low- and low-income families or persons for the remaining useful life of the housing and related facilities. However, currently eligible moderate-income tenants will not be required to move.

(2) The purchaser must agree that no subsequent transfer of the housing project will be permitted for the remaining useful life of the housing project unless the Agency determines that the transfer will further the provision of housing for low-income households, or there is no longer a need for the housing project. Language to be included in the deed, conveyance instrument, loan resolution, and assumption agreement (as applicable) is provided in § 3560.662.

(3) The purchaser must demonstrate financial feasibility of the housing project including anticipated funding.

(4) The purchaser must certify to the Agency that no identity-of-interest relationships in accordance with § 3560.102(g). The purchaser must not have any identity of interest with the seller or any borrower that has previously prepaid or requested prepayment of an Agency MFH loan.

(5) The purchaser must complete an Agency-approved application and obtain Agency approval in accordance with subpart B of this part.

(6) The purchaser must make a good faith offer taking into consideration the value of the housing project as determined in accordance with paragraph (a) of this section.

(f) *Selection priorities.* If more than one qualified nonprofit organization or public body submits an offer to purchase the project at the same time, priority will be given to local nonprofit organizations and public bodies over regional and national nonprofit organizations or public bodies. When selecting between offers equally meeting all other criteria, the borrower will first consider the success of the nonprofit organization's or public body's previous experience in developing and maintaining subsidized housing, with preference given to the most successful. If the offers continue to be equal, the borrower will then consider the number of years experience that the nonprofit organization or public body has had in developing and maintaining

subsidized housing, with preference given to the greater number of years.

(g) *Loans made by the Agency or other sources to nonprofit organizations and public bodies.* Agency loans to nonprofit organizations or public bodies may be made for the purposes described in this paragraph. Agency loans will be processed in accordance with subpart B of this part. Loans from other sources will be approved by the Agency in accordance with subpart I of this part.

(1) Agency loans to nonprofit organizations or public bodies for the purchase of a housing project will be based on the appraised value determined in accordance with paragraph (a) of this section.

(2) With proper justification, an Agency loan may be made to help the nonprofit organization or public body meet the housing project's first year operating expenses if there are insufficient funds in the housing project's general operating and expense account to meet such expenses. An Agency loan, for the purpose of covering first year operating expenses, may not exceed 2 percent of the housing project's appraised value determined in accordance with paragraph (c) of this section.

(h) *Advances for nonprofit organizations and public bodies.* The Agency may make advances, in accordance with section 502(c)(5)(c)(i), not in excess of limits established by Congress to nonprofit organizations or public bodies that are purchasing housing under this subpart. Grant funds may be used to cover any direct costs other than the purchase price, incurred by nonprofit organizations or public bodies in purchasing and assuming responsibility for the housing project.

(i) *Waiting list.* If funds for sales to nonprofit organizations and public bodies are limited, the Agency will add the funding requests to the waiting list for incentives and follow the process established in § 3560.657(b) and (c).

(j) *Withdrawal from sales process.* A borrower may withdraw the prepayment request at any time prior to the sale of the property. The borrower will be responsible for any damages associated with breaking a sales contract established with a nonprofit organization or public body.

(k) *When no offer to purchase is received.* Prepayment with no further restriction may be accepted by the Agency when the borrower agrees to offer the housing project for sale to a nonprofit organization or public body in accordance with § 3560.659 and no good faith offer is received within 180 days from the date that the housing project was advertised for sale to a nonprofit organization or public body, or a good faith offer was received within 180 days from the advertisement date but the offeror was unable to fulfill the terms of the offer within 24 months of the offer date, provided the owner cooperated with the potential purchaser.

(1) Prepayment must be made 180 days from the date of the Agency's prepayment acceptance notice to the borrower.

Tenants must request a LOPE within one year of the prepayment acceptance notice date.

(b) If a proposed transferee is determined not to be eligible for the transfer and assumption, the borrower will be given an additional 45 days to find another transferee.

(c) In cases where the existing owner is in program non-compliance or default, the Agency may make an offer of incentives contingent on the successful transfer of the housing to an acceptable purchaser. The Agency may offer a smaller incentive or no incentive if the borrower does not agree to transfer the project to an acceptable purchaser, or if the transfer does not take place.
